SECOND AND THIRD APPLICANTS' FOUNDING AFFIDAVIT

I, the undersigned

RONALD BOBROFF

do hereby make oath and state: -

DEPONENT'S DESCRIPTION AND PERSONAL INFORMATION

1. I am the Second Applicant in these proceedings and am a major male legal practitioner (although having currently been suspended as practicing as such) and am temporarily residing at 11 Shannon Street, St. Ives, Sydney, Australia- I have a right to reside permanently in Australia.
2. I draw attention to the fact that the Third Applicant ("Darren") and I, by order of court, were struck from the roll of attorneys and conveyancers on the 7th December 2016 ("the Striking Order") arising from legal proceedings under Case No 20066/16 and being application proceedings launched out of the High Court of South Africa, Gauteng Division, Pretoria (the "LSNP Application"), the Applicant whereof was the Law Society of the Northern Provinces ("LSNP") (there was another similar application under Case No 61790/16 and being application

163

proceedings (in the nature of a counter –application) launched out of the High Court of South Africa, Gauteng Division, Pretoria (the “Graham Application”) the Applicants whereof were Jennifer Graham and Matthew Graham (“the Grahams”) (Matthew Graham having being and ex-client of the First Applicant (“the Firm”) – there was no order granted in this application.)

3. It is furthermore necessary for me to record that prior to the 7th December 2016 that:-

3.1. Darren and I had launched an application which sought orders that the LSNP Application and the Graham Application be struck from the roll on the 6th December 2016 by reason of the fact that the LSNP Application had not been served on Darren and me in terms of Rule 4 of the Uniform Rules of Court and that the notice of set down in the Graham Application had not been served in terms of Rule 4 of the Uniform Rules of Court on Darren and me; and

3.2. alternatively to the relief indicated in paragraph 3.1 hereinabove Darren and I sought an order that the LSNP Application and the Graham Application be postponed in order that we be permitted to *inter alia* respond to the LSNP Application which specific reference to 2 forensic reports which had been commissioned and drafted by 2 forensic accountants of the LSNP; and

3.3. the application referred to in paragraph 3.1 and 3.2 hereinabove was opposed by the LSNP and the Grahams and argument in regard to the application took place on the 6th December 2016 and whereafter Darren's

4

and my application (referred to in paragraphs 3.1 and 3.2) was dismissed with costs; and

- 3.4. as Darren and my legal representatives, due to time constraints, were only in a position to argue the aforesaid application they did not participate any further in regard to the relief being sought by the LSNP and the Grahams in the LSNP Application and the Graham Application.
- 3.5. arising from the orders that were issued, as aforesaid, Darren and I have instructed attorney John Joseph Finlay Cameron ("Cameron") to serve and file notices of intention to appeal the orders (Cameron will cause to annex to this affidavit as Annexure X his confirmatory affidavit in regard to that matter indicated hereinbefore and will attach thereto the relevant notice of intention to appeal the LSNP Striking order).
4. By virtue of the foregoing and more specifically the intended service and filing of the notices of intention to appeal the striking of Darren and me from the roll of attorneys and conveyancers such orders will be accordingly suspended save that our positions will be such that we will be currently suspended from practicing as attorneys and conveyancers.
5. Until my departure from South Africa on the 19th March 2016, I was permanently residing at 40 Pentrich Road, Victory Park Estate, Johannesburg and which address continues to be my permanent residential address (my spouse currently resides at this address and is the owner of the immovable property situate thereat).

5

6. The facts herein contained are, save or where otherwise indicated, within my own personal knowledge and are true and correct.

REASONS FOR AND PURPOSE OF THIS APPLICATION AND THE LEGAL
AUTHORITY RELIED UPON BY THE APPLICANTS

21. On the 2nd December 2016 an order (a judgment) of Foulkes – Jones AJ (the Presiding Judge) was handed down, a copy whereof I annex hereto as **Annexure FA 2**. In Annexure FA 2 the Presiding Judge ordered that *viva voce* evidence be tendered at a hearing before her on the 12th and possibly on the 13th December 2016, the issue that is to be determined thereat is whether 2 attorneys, Mr Rael Zimmerman (“Zimmerman”) and Mr Stephen Derek Bezuidenhout (“Bezuidenhout”) (an erstwhile director of the Firm) had the necessary authority and power to conclude 9 settlement agreements on behalf of the Firm, Darren and me (Darren and I having always contended that Zimmerman and Bezuidenhout had no authority to sign the 9 settlement agreements on behalf of the Firm, Darren and me).
22. Although there is not a plethora of reported judgments which refer to courts permitting evidence via video link Cameron has located a judgment of Satchwell J in the matter between Uramin Incorporated in British Columbia v/s Carolyn Perie Case No 28154/2011 (“the Satchwell Judgment”). In the Satchwell Judgment Satchwell J recorded (in paragraph 6) that *“the technology of the video link is now accepted both in other jurisdictions and South Africa as an efficient and an effective way of providing oral evidence both in chief and in cross-examination and that this is simply another tool for securing effective access to justice”*.
23. As I will indicate herein below there are circumstances beyond the control of Darren and I to be present at the hearings on the 12th and 13th December 2016.

22
9

What is even more important and crucial is that Darren and/or I be permitted to testify (and to be cross-examined) in regard to the issue that is to be adjudicated upon. Should Darren and/or I not be permitted to testify via video link then we contend that our fundamental right “to be heard” will be infringed and the financial harm will be irreparable and far reaching – leaving aside the fact that the 12 ex-clients of the Firm will obtain a financial advantage to which they are not entitled.

REASONS WHY IT IS NOT POSSIBLE FOR THE THIRD AND FOURTH APPLICANTS TO BE PRESENT AT THE HEARINGS IN PERSON

24. The reasons why Darren and I are not able to attend the hearings in person fall into 2 categories (2 categories apply to me and 1 category applies to Darren).

THE SECOND APPLICANT'S HEATH

25. I have suffered from a condition known as cardiac arrhythmias since 2007 when I suffered an attack known as Supra Ventricular Tachycardia – this condition constitutes an electrical malfunction of the heart's natural pace maker and which condition presently subsists and is of such a nature that under extreme stressful conditions can result in a heart attack or a stroke and can result in my death.
26. I am attaching hereto as **Annexures FA 3** and **FA 4** two basic reports of Dr M Atlas and Dr Peter Illes - unfortunately I am unable to obtain comprehensive reports in the form of affidavits from these medical practitioners as they have both refused to depose to affidavits which will result in them having to travel to and from a Justice of the Peace and will also necessitate them having to consult with their own attorney as to whether they should depose to affidavits relative to my

medical condition as well as what should be recorded therein (Cameron having indicated to me that, if at all possible, such reports should be comprehensive in nature).

27. My medical history in regard to the medical heart condition can be summarised as follows :-

27.1. In 2007 I was injected with a drug designed to "stop the heart" and thereafter and by gradual process my heart rate was returned to a normal rate; and

27.2. since 2007 I have taken anti arrhythmia medication; and

27.3. in 2010 I suffered a further attack of Supra Ventricular Tachycardia and as a consequence thereof an ablation procedure was undertaken; and

27.4. in March 2011 I was hospitalised at the Milpark medical facility and remained in such facility for 1 day until my heart rhythm and rate was restored to normality. In December 2015 I suffered an acute attack of Supra Ventricular Tachycardia and was again hospitalised at the Plettenberg Bay Medical facility; and

27.5. Since 2015 due to stress, related to threats and circumstances surrounding litigation between the Firm and various parties, I have continued to suffer health problems which has resulted in chest tightness and breathing difficulties; and

27.6. On the 24th October 2016 I experienced an indescribable sensation which led me to believe that I was in the process of suffering a heart attack. I was

24
41

admitted to the San Hospital in Sydney and was admitted to an intensive care unit and medical treatment was rendered and after tests were undertaken I was advised by Dr Illes that because 2 of my heart valves do not close completely these cause the creation of blood clots which form during atrial fibrillation (as a consequence of stress and these flow through the blood stream and can flow to the brain with devastating affects); and

27.7. my medical condition is such that I have been prescribed powerful drugs to avoid a heart attack or a stroke which are inevitable if I am placed in situations which are of a stressful nature.

THREATS AND PHYSICAL HARM INCLUDING ARREST AND INCARCERATION
SHOULD THE SECOND AND THIRD APPLICANTS RETURN TO SOUTH AFRICA

28. On the 17th and 20th March 2016, Darren (his spouse and 2 minor children) and I left South Africa and which we did so under the circumstances indicated herein below.
29. The first threats (Bezuidenhout had already been threatened by Attorney Katz, a full time employee of Discovery Health in 2014) that Darren and I experienced (which was the first of many threats including abusive telephone calls including a deluge of email and twitter messages from Attorney Millar and a reporter, Beamish) was when Attorney Katz, an employee of Discovery Health Life, had and on the 16th June 2015, uttered threats which traumatised Darren's 2 minor children and his wife. The seriousness of the threats were such that Darren addressed a communication to the LSNP dated the 30th July 2015 and which I annex hereto as **Annexure FA 5** (Annexure FA 5 was addressed to the LSNP

25
12

and by virtue of the fact that Katz is a duly admitted attorney and Darren and I considered Katz' threats as constituting unprofessional conduct and worthy of the LSNP conducting the relevant disciplinary hearing (the LSNP acknowledged receipt of Annexure FA 5 after a long passage of time to request an acknowledgement of receipt and its legal officer, Mr J Fourie, permitted Katz a period of 6 months within which to respond to the complaint – the usual response period being 14 days - nor conducted the relevant disciplinary hearing into Katz' conduct).

30. The "final" event that led to Darren and myself departing South Africa was a telephone call to me and at the offices of the Firm and on the 15th March 2016:-

30.1. the person who telephonically contacted me had disguised his voice electronically and the words were uttered in a "robotic" form; and

30.2. this person advised me that Darren, Darren's spouse and myself were in grave and imminent danger, which danger was to the effect that we would be arrested by the SAPS, would be incarcerated and that there were persons within the prison system that had been specifically engaged (employed) so as to exact physically harm on us including harm in the nature of being raped.

31. I draw attention to the fact that when Darren and I departed South Africa, it was our intention to return within a few days and once we had investigated the source of the threat referred to herein below. I annex hereto as **Annexures FA**

26
18

6 and FA 7, the electronic air travel tickets which indicate that Darren and I intended to return to the Republic on the 22nd March 2016 (these air tickets have not been cancelled and/or encashed by ourselves and we intend to utilise same and in order to return to our respective homes in South Africa).

32. Although I am unable to prove that the same person was involved in the incident referred to herein below, Darren and I contend that our fears were well founded and as a consequence of:-

32.1. me receiving on my cellular telephone, whilst in Sydney, a text message, a screen grab whereof I annex hereto as **Annexure FA 8** – as is self-evident from Annexure FA 8, I received this text message early in Sydney on the morning of the 22nd March 2016 and at that stage it was 07h15 on the 21st March 2016 in South Africa; and

32.2. as will be noticed from Annexure FA 8, the text message was to the effect that the Hawks intended arresting “wives” at 07h30 at Cassim’s house (this is a reference to Adv Nazeer Cassim S.C. – how this person knew that my wife was to consult with Adv N Cassim on the 21st March 2016 and at 07h30 is yet another cause for concern).

33. The event indicated in paragraph 32 was of such a nature that Darren and I perceived that Darren, Darren’s spouse and I were in imminent danger and as our “lives” were at risk it would be absolutely necessary to depart from South Africa for a few days and during which time a private investigator would investigate

74

various persons that we suspected to be involved in ensuring that we be arrested by the SAPS and be subject to abuse within the South African prison system.

34. Notwithstanding our presence in Australia, 3 abusive communications have been received by Darren and me. I annex hereto as **Annexures FA 9, FA 10 and FA 11**, emails dated the 18th October 2016, the 4th November 2016 and the 21st November 2016. It is self-evident from the contents of Annexures FA 9, FA 10 and FA 11 that the person or persons concerned are mentally unstable and although the person/persons threaten physical harm aimed at harming Darren's children in Australia and my daughters in South Africa, these threats are treated by Darren and I seriously (unfortunately, Darren and I have little faith including confidence of being protected by the South African Police Services in South Africa and we would rather take our chances in Australia and be protected by the Australian Police Services).
35. The obvious instability of the authors of Annexures FA 9, FA 10 and FA 11 are of such a nature that Darren and I believe that this person/these persons are issuing threats aimed at pressurising Darren and I to return to South Africa and whereafter we would be the subject matter of all manner of attempts on our lives and if not attempts on our lives, serious assaults on our persons (as I have indicated herein above, the person/persons concerned are mentally unstable and no doubt their mental instability will be accelerated should we be successful in opposing the LSNP Application and the Graham Counter Application).

THE PROCURING OF A VIDEO LINK ENTERPRISE

36. Cameron has located a video link business enterprise for the purposes of having my evidence and that of Darren's electronically transmitted into a court at the above Honourable Court and if this is not possible (a dry run of such link is scheduled to take place on the 9th December 2016) – I am attaching hereto a communication address by Cameron to AMD Conference Solutions as **Annexure FA 12.**

URGENCY

37. This application arises from the order of Judge Foulkes-Jones and as I have indicated hereinabove was handed down on the 2nd December 2016. Unfortunately it was not possible for Cameron to have drafted this affidavit and to have served the papers prior to the envisaged date of service (8th December 2016) by virtue of the fact that Cameron and his counsel since the 1st December 2016 have been involved in those applications indicated hereinabove including drafting affidavits and preparing for the application hearings.

38. It is obvious that by its nature this application is urgent and has been launched as soon as possible after the handing down of Judge Foulke-Jones' order.

SUBMISSIONS AND CONTENTIONS

39. Darren and I contend and submit that:-

39.1. It is in the interests of justice that we testify at the hearing on the 12th and 13th December 2016; and

216

39.2. we should be entitled to tender our evidence by way of video link and more specifically for the reason that I have a serious medical condition and Darren and I "fear for our lives" and at the very best fear for our personal safety i.e. the threats that have been received are of a serious nature and we have no confidence in the SAPS protecting us so as to ensure that no assaults take place; and

39.3. we have procured the services of a video link specialist; and

39.4. there can be no prejudice to any party should our evidence be tendered by way of a video link.

WHEREFORE Darren and I pray that it may please the above Honourable Court to grant us the relief we seek in the notice of motion to which this my affidavit is annexed.

To whom it may concern,

Re: Mr Ronald Bobroff, DOB: 7/08/1947
11 Shannon Street, ST IVES NSW 2075

Mr Bobroff has been under my treatment for cardiac arrhythmias. These are aggravated by stress and emotional upheaval. He has minor structural cardiac disease and at present his arrhythmias are poorly controlled. I have advised him to take steps to minimise stress to prevent recurrence of these arrhythmias which can result in embolic stroke.

It would be in his interest to try resolve his stress issues to prevent further health issues

Dear Sirs/Madam

RE: COMPLAINT AGAINST ATTORNEY JEFFREY KATZ

We advise as follows:

1. On 16 June 2015, at approximately 13:30 RBP Director, Darren Bobroff and his family including his two children and some friends were seated at the Grand Central Café Restaurant at Melrose Arch.

DIRECTORS: MANAGING - RONALD BOBROFF B.A. LL.B (WITWATERSRAND),
STEPHEN BEZUIDENHOUT: B PROC (WITWATERSRAND);
DARREN BOBROFF: B.A LLB (WITWATERSRAND),
PROFESSIONALLY ASSISTED BY:
VANESSA VALENTE: BA LLB (WITWATERSRAND); PHILIPPA JANE LEISEGANG: B.A. LLB (UN);
MARIANGELA VENTURI: B COM LAW, LLB, H Dip (Tax) (UJ);
INTERNAL ACCOUNTANT: NATASCHA DA COSTA;
ESTABLISHED 1974
(Reg. No. 2001/021719/21 ~ Vat No. 463 0204974)

53

2. Discovery Health Administrators employee, Jeffrey Katz and his family were also patrons at the same restaurant. Katz walked up to the table at which Darren Bobroff and his family were seated and made the following threats and statements:
- a. "You are going to jail";
 - b. "The Hawks are onto you and will be arresting you soon";
 - c. "You have no idea how many of your clients we have";
 - d. "The fund are investigating you and the CEO Eugene Watson hates you. I don't know why he hates you so much";
 - e. "We (Discovery) will never stop. We have unlimited money";
 - f. "I know about Van Der Merwe and the ten per cent you gave him";
 - g. "We know about your account in Hong Kong with R350 million";
 - h. "You have never won anything against us and Millar and by now you should know why";
 - i. "You briefed Hellen's because you need a criminal counsel";
 - j. "We will see to it, no matter what it takes, that the Grahams will never have to face Hellen's at the Law Society";
 - k. "You should pay back the contingency fees money you stole from your clients to reduce your sentence";
 - l. "We have seen to it that Anthony Millar will be your next Law Society President and De Broglie, Vice President."
 - m. "You shouldn't waste your time lodging any more complaints against Millar. You must have realised by now, these will go nowhere as has been the case with all complaints you have lodged";
 - n. "Why do you think every complaint against you guys by us and Millar is acted on quickly and you are always before Committees?"
 - o. "We know exactly what happens and when it happens at Council meetings, and in the Disciplinary Department, and you would be very worried if I told you what our friends are doing for us at the Law Society".
-

54

3. Darren Bobroff's children were extremely traumatised by Katz's statement "You are going to jail". In particular his youngest son, who is five years old, now won't leave his father's side, insists on sleeping with him, and weeps when Darren leaves for work.
 - 3.1 Katz's threats in which he clearly speaks for his employer, Discovery Health, as noted in paragraphs 2c, e, g, h, j, l, n and o above, confirm, despite apparent perjury by its Attorney, Mr George Van Niekerk of ENS, Cape Town, as referred to below and in paragraph 5.1, that Discovery Health, through its in-house attorney/debt collector, Katz, is indeed behind every attack launched against the writer, Darren Bobroff and RBP Inc under the pretext of "assisting" RBP former client, Mr Graham, as also conspiring with Millar to attack our LSNP compliant common-law contingency fee agreements.
 - 3.1.1 Discovery's Attorney, Mr George Van Niekerk of ENS, Cape Town had stated on oath in a 49 (11) application brought by him against the Law Society and the writer and the Practice of RBP on the 30 October 2014 under case no. 2012/61790 that, "I reiterate that Discovery Health is not a party to this litigation directly or indirectly".

DOCUMENTED AND CIRCUMSTANTIAL EVIDENCE OF DISCOVERY HEALTH'S VENDETTA AGAINST RONALD AND DARREN BOBROFF AND RBP INC, EXECUTED THROUGH ITS EMPLOYEE, MR JEFFREY KATZ, ITS ATTORNEY MR GEORGE VAN NIEKERK OF ENS CAPE TOWN, IN COLLUSION WITH PROXIES, MR ANTHONY MILLAR AND MR BEAMISH

4.
 - 4.1 Where reference has been made to subject matter in the above heading, this substantiates by reference below to specific portions of affidavits filed in Court by the Law Society, Van Niekerk and Mrs Graham, that what has actually occurred in various fora, and at the Law Society, during the four and a half year vendetta conducted by Discovery and its proxies; gives credence to the content of Mr Katz's threats and statements in paragraph 2 above.
 - 4.2 It is surely no coincidence that Katz has been present in Court together with attorneys Millar and Berger, and Discovery proxy "reporter" Beamish, in every matter litigated against RBP by Millar. This notwithstanding that the litigation did not involve a Discovery member.
 - 4.3 Similarly, it was no coincidence that Messrs Millar and Berger were seated together with Katz and Beamish in Court, during the arguing of matters in which Messrs Millar and Berger were not involved in any way whatsoever.
 - 4.4 Having regard to the above, taken together with the fact that Millar, Katz and Beamish have consistently communicated with each other concerning attacks on

the writer, Darren Bobroff and RBP Inc, via email, twitter and What's Apps, **INCLUDING** Millar's tweet to Katz and Beamish detailing the confidential LSNP Resolution, 26 June 2015, to inspect RBP's books; much of what Katz states in his threats resonates with what has actually occurred in various fora, and in respect of the special resolution at the LSNP AGM to force an election of the statutory councillors thereby creating an opportunity for Millar to become a councillor, and the subsequent special meeting of members events, within the Law Society Disciplinary Department concerning Millar/RBP, and the Council Resolution of the 26 June 2015.

5.

5.1 Whereas Mr Van Niekerk has stated on oath as referred to in paragraph 3.1.1 above that "I reiterate that Discovery Health is not a party to this litigation directly or indirectly", he has stated exactly the opposite in a press release issued by him on the 29 October 2012 headed "Statement by Mr George Van Niekerk, Director ENS" - "ENS (Edward Nathan Sonnenbergs) was instructed by Discovery Holdings to assist a number of the members of the Discovery Health Medical Scheme, who were former clients of Ronald and Darren Bobroff of Ronald Bobroff & Partners Inc attorneys ("RBP")".

5.2 Further, Mrs Graham stated on Page 19 of her founding affidavit in the Application against RBP/LSNP, prepared by Van Niekerk, in Case No. 61790/2012, at paragraph 88.3 "Discovery had engaged George to represent such of its members as might wish to have their fee arrangements with RBP reassessed. The service would be provided at no cost to such members" i.e. Discovery would be funding Mr Van Niekerk's services." Mrs Graham also makes reference in her affidavit to interactions with Mr Katz and involving the Grahams. It is of course, Van Niekerk who has at all times been instructed by Katz who has been present with him in Court, in respect of every proceeding against us.

5.3 It seems clear that Mr Van Niekerk, having previously been accused by the Law Society in the Graham matter as having perjured himself, has done so again.

6. 6.1 Significantly, the Law Society itself has deposed in affidavits filed in the Graham application, that such application, and by implication all actions in the Grahams' name conducted by Mr Van Niekerk – who is invariably the deponent in all the substantive affidavits, rather than the Grahams, - were effectively done at the instance of, and for the benefit of Discovery, and not former RBP client, Mr Graham, as per the untrue media statements put out by Discovery's CEO Broomberg, Katz, Van Niekerk and Beamish. See Affidavit dated 04 April 2013 – paragraph 10.5 in the Graham matter under Case No. 61790/2012 –

"despite the obvious involvement of Discovery, Van Niekerk attempts to explain that the applicants bring the application in the interests of the public. I do

56

not accept this contention, especially in view of the fact that the applicant's legal costs in the application are paid by Discovery. It is furthermore apparent that this application is the result of a personal and highly acrimonious dispute between Discovery, assisted by Van Niekerk and the third respondent, (Ronald Bobroff)."

- 6.3 It is therefore clear that all the Court, Media and Law Society attacks/complaints against the writer, Darren Bobroff and RBP Inc, since 2011 to date, emanate from Katz, on behalf of Discovery, **DIRECTLY** via Katz's instructions to Van Niekerk; and **INDIRECTLY** via instructions given by Katz to Millar, invariably targeting RBP clients/ Discovery members, who were charged Law Society compliant common-law percentage fees by RBP.
- 6.4 Notwithstanding the above, and incontrovertible evidence to the contrary, Mr Van Niekerk continues to persist in the farce that, Mr Graham and his wife are his real clients in the normal course of events, notwithstanding that:
- 6.4.1 The Grahams do not make the substantive affidavits in all the court proceedings launched in their names,
- 6.4.2 Van Niekerk deposed to virtually every substantive affidavit in the multitude of proceedings instituted by himself, instructed and paid by Discovery, and masquerading as proceedings brought on the instructions and for the benefit of Mr Graham;
- 6.4.3 the Grahams have not attended numerous of the proceedings, at the Law Society allegedly brought at their instance for their benefit by Van Niekerk;
- 6.4.4 the Grahams do not attend the Court proceedings in respect of applications brought in their names and ostensibly for Mr Graham's benefit. In particular they were not present for the full three days of argument in the Pretoria High Court from 27 – 29 January 2014.
- 6.5 The collusion and common purpose between Discovery/Katz and Millar as a proxy for Katz, is graphically apparent from the fact that Katz with his entire complement of staff, and Messrs. Berger and Millar, together with all their professional staff, were present for the full three days, at the Graham Court hearing in January 2014, **AND IN FACT AT EVERY SINGLE COURT HEARING** conceived, formulated and launched by Mr Van Niekerk, instructed and paid by Discovery; notwithstanding that they, (Berger and Millar), had no involvement whatsoever in those matters.
- 6.6 As was stated by Legal Official Jaco Fourie in September 2014 when speaking with the writer, despite the unprecedented media campaign waged by Discovery and its proxies against the writer in September 2014 and RBP Inc, commencing 2011 onwards, there had not been during the intervening four years **A SINGLE COMPLAINT AGAINST THE PRACTICE OF RBP, FROM ANY PERSON OTHER THAN THE FEW RBP CLIENTS WHO FELL INTO MILLAR'S HANDS, AND OF COURSE, BY VAN NIEKERK IN RESPECT OF MR GRAHAM AND HIS WIFE.**
- 6.7 Significantly that remains the position to date, despite Discovery harnessing yet others of its proxies, Mr Beamish, who surprisingly suddenly became employed by

Darren Bobroff

Dear Ronald, Darren

It is in everyone's interest that you return to South Africa such that justice can be served to all role players to Ronald Bobroff & Partner's (RBP) past shenanigans.

Unfortunately 2 of the 3 directors of RBP fled South Africa to avoid arrest. This is delaying the justice process, which as lawyers I am sure you can understand. We want to avoid any further delays to get justice for RBP's clients (as if your clients did not suffer enough from their injuries);

It is in your personal interest to return to South Africa without delay, and we are prepared to give you grace till end November 2016 for both of you to return voluntarily. Should you decide not to return to South Africa and allow the SA legal system to run its course, there will be consequences for both you and your families.

These consequences could include:

1. God will be disappointed with you (and since you are religious men, this should be important to you and your families);
2. Your conscience will remain troubled well into your old age;
3. You will have further tarnished the reputation of the your profession. A profession that you proudly had represented at the various Law Societies
4. Your family, children and grand-children will suffer from the consequences of their fathers' misdeeds. On this aspect, we really do not want to harm your sons in Australia, and daughters in South Africa. However, should you do not return to SA by end November, you will be leaving us little choice. Any potential harm that could result from your inaction, would be as a direct result of your own doing (and you will need to live with a further burdened conscience)

Please could you make the necessary arrangement to return to South Africa by no later than end November 2016. Should you wish to discuss the matter with us (or you would like to put forward your side of the story), please let us know your contact details by return email.

Dear Ronald, Darren,

We note that you have not responded to our initial email of 18 October, and have not attempted to provide your side of the story.

The end of November deadline for your return to SA is approaching, and we really do not want to have to resort to getting your wives, children and grandchildren to suffer the consequences of their father's misdeeds. We understand that Elaine is back in SA in Victory Park ... , and we know where your family are staying in Sydney and we know where your kids go to school

Dear Ronald, Darren,

We note that you have not responded to our emails of 18 October (or 3 November) to provide your side of the story.

It would be in your interests to take our emails with the necessary seriousness if you care for, and love your families. The end of November deadline for your return to SA is approaching, and we do not want to have to resort to getting your wives, children and grandchildren to suffer the consequences of their father's misdeeds.
